## SUMMER CAMP HIGHLIGHT

It's hard to believe that we only have 3 weeks left in the year! Have you made your summer dance plans yet? We have summer camps at all of our campus locations that run one to two weeks for all ages! If you have an Elementary A - Level 8 student, we have a wonderful 2-week Accelerated Ballet Camp that provides dancers with great summer dancing and a chance to get a jump on their fall ballet training. Accelerated Ballet is a great way to maintain the progress your dancer has made throughout the year, and accelerate their growth through a more intensive schedule during the summer.

Accelerated Ballet will be held at our Utah County Campus, June 17th-28th for Elementary A through Level 8, and is also offered at Trolley Corners Campus, July 29th-August 9th for Elementary A through Level 4. Classes at both locations are open to all students, according to level, regardless of which campus you currently call home. Register for your classes according to your fall placement and let's get dancing!

## ARTISTIC HEIGHTS

Our thanks to Mr. Calvin Kitten for taking time while the company is on break to teach our Utah County Campus upper-level students. Mr. Kitten is the Director of Ballet West II and Rehearsal Director for Ballet West. His correction, and encouragement builds confidence and truly helps our students reach new artistic heights. We are so incredibly lucky at BWA to have the support of the Ballet West Artistic Staff!
